Rayyan Shaikh

📞 +91 7021281166   @ rayyan.shaikhh@gmail.com   🎂 7-11-2006

Myself Rayyan Shaikh, residing in Mumbai, a dedicated student pursuing a Diploma in Information Technology. With a passion for programming and an inclination for problem-solving, I thrive on tackling new challenges head-on, ensuring timely and efficient completion of tasks.

I aspire to work in a growing organization which provides challenging environment and fertile ground for innovative ideas.

Relevant Experience

Internship at SVTechShant 2024

I was tasked with creating a geolocation-based employee attendance system and was also involved in certain client interactions.

AIML Head for Techshala 2025

As the AIML Head at Techshala, my role is to organize and manage events and workshops.

Achievements

Winner at CodeCratz 25 - Agnel Polytechnic

Secured 1st place by building an Event Management System at Codecratz, the inter-college hackathon hosted by Agnel Polytechnic, Vashi.
